May Food Preservation Classes

Presented by UCCE Master Food Preservers

Amador/Calaveras County

Jams, Jellies & More

Saturday, May 14

10 a.m. to 1 p.m., \$5

Join us for this 3-hour introductory class that takes you through the process of making and canning jams and jellies. Step-by-step demonstrations include preparing the fruit and other ingredients, followed by canning using both a boiling water canner and the recently approved atmospheric steam canner. Leave this class with several scientifically tested recipes and the knowledge and skill to safely can jams, jellies, and other high-acid foods in your own kitchen.

*Location: Amador County GSA Building,
