

Don't miss the final  
**2012 Master Gardener classes**  
in Amador or El Dorado County!

**December 1, 9-Noon**

*Amador County*

**Selection & Planting of Bare Root Fruit Trees,  
Vegetables & Berries**

*Location: Amador County GSA Building, 12200-B Airport Road, Jackson*

Have you ordered, purchased, or are planning to plant bare root fruit trees, vegetables or berries this year? This class provides the information you need to get them off to a great start and keep them healthy. Planting and caring for Jerusalem artichoke, rhubarb and asparagus will also be presented.

*El Dorado County*

**Selection & Planting of Deciduous Fruit Trees**

*Location: Government Center Hearing Room - Bldg. C, 2850 Fairlane Ct, Placerville*

Master Gardener Walt Miller will present essential information on the selection and the proper planting of bare root trees. The focus of the class will be on planting techniques and tree selection. Fruit tree varieties best suited for our El Dorado county location will be discussed in depth.

**FREE!**

Both classes are free and no reservations are required.
