FPS has posted an instructional video on how to sample leaves for virus testing:

<http://fps.ucdavis.edu/samplecollection.cfm>

L.R. Wunderlich
UCCE Central Sierra

There may be more laboratories than listed here. This list does not constitute an endorsement by me or the University of California.

Prices vary depending on number of samples and types of tests requested. Check with the lab to compare.

Rhonda Smith, UCCE-Sonoma county viticulture advisor, has posted an informative Red Blotch page on her website at:

http://cesonoma.ucanr.edu/viticulture717/Grape_Pests_and_Diseases/Grapevine_Red_Blotch_Disease/
