

November Food Preservation Classes

Presented by UCCE Master Food Preservers

Canning season continues into the fall and holidays! Join the UCCE Master Food Preservers at any of the classes listed below to learn new skills and get ideas for gifts and holiday favorites. Unless otherwise noted, all classes are free and no reservations are required.

Amador/Calaveras County

Holiday Favorites (*from the kitchen*)

Saturday, November 8, 10-Noon

Handmade gifts are a wonderful way to share the holiday spirit. The good news is you don't need a degree in culinary arts to turn out artisan food products from your own kitchen. UCCE Master Food Preservers will share their specialties, including a colorful and delicious habanero jelly (a great hostess gift), dehydrated spaghetti sauce in a jar (perfect for the college student or camper), seasoned salts and spicy mustards for all of your foodie friends, and much more.

There will be a short discussion of the food processing techniques required to preserve these items along with creative ideas to keep gift costs to a minimum. For those of us with a wish list, each of the presenters will share their favorite types of kitchen gadgets and equipment. The program concludes with ideas for packaging and presenting your creations, including decorative lids, handmade labels, and personalized seals.

Location: Calaveras County Senior Center, 956 Mountain Ranch Road, San Andreas
