August Food Preservation Classes

Presented by UCCE Master Food Preservers of Central Sierra

Amador/Calaveras County

Tomatoes All-Ways

Saturday, August 13, 10 a.m. to 12 noon

Learn multiple ways to preserve your tomato bounty so you can enjoy it year-round. Learn the ins and outs of canning and freezing tomatoes to produce a quality product and how to dehydrate tomatoes safely to use in soups and stews.

Freezing Basics

Wednesday, August 24, 6:30 to 8:30 p.m.

Tired of pulling something from the freezer to find that it looks like the inside of an ancient arctic cave filled with ice stalagmites? Learn how to keep food quality high in a freezer so you want to eat it instead of toss it.

Location: Amador County GSA Building, 12200-B Airport Road, Jackson

Become a UCCE Master Food Preserver Volunteer for Amador and Calaveras Counties!

Do you enjoy canning or drying food?

Do you enjoy teaching?

Do you want to meet new people who share your food passion?

The UCCE Master Food Preservers of Amador/Calaveras County are accepting applications for new volunteers.

Classes are on most Fridays from September 9 through November 4.

For more information, visit our training site at http://ucanr.edu/be_acmfp.

Applications are due August 14.
